OUR BRIEF PROFILE

INTERNATIONAL CENTRE FOR PROTOCOL & DIPLOMACY (ICPD)

The International Centre for Protocol and Diplomacy (ICPD) in collaboration with top UK Universities, various Institutes of learning and Protocol Schools, alongside its partners have engaged with high profile professionals, providing learning and development programmes for both private and public sectors/organisations across Africa.

With our wealth of experience and wide network across top UK Universities, we have provided robust training courses for over 100's of professionals in Protocol, Diplomacy, Business Leadership, Management, International Relations etc. With training needs opportunities that cut across 100's of Professionals. We strategize and accelerate the empowerment of Protocol and diplomatic professionals by promoting high quality programmes, providing professional and educational development through highly exclusive tailored training courses that help shape the growth of the industry and rebuild a community with professionally trained and certified Protocol and Diplomatic Experts. We drive our visions by embracing and engaging a wide network of Professional providing excellent support across the globe.

OUR MILE- STONE & COLLABO- RATIONS

The International Centre for Protocol and Diplomacy launched the Global Education and Executive Programme (GEEP) aimed at supporting over 1000 professionals within 2022/2024. This programme is also aimed at promoting diplomatic and protocol practices, applications and opportunities within private sector organisations. Our training programmes and events have attracted participation from over 65 countries especially as we organised the ever first World Protocol Matters Online conference hosting hundreds of Protocols and Diplomatic professionals across the world.

The programme has supported over 500 professionals with tailored training in the areas of Dynamics of Modern Protocol and its applications, Fundamentals of Operational Protocol, Procedures and Execution of Duties, Introduction to Diplomatic Protocol, Strategic leadership, Corporate Diplomacy, Operational Protocol and Diplomatic Management, Cultural Communication, Virtual Leadership and Transformational Protocol, Cultural Intelligence, Elocution, Digital Transformation, VVIP Management, High Level Government Management, International Business Protocol, Across Border and International Protocol etc.

OUR CLIENTS

We have worked with various participants from the World Health Organisation, Government of the Commonwealth of Dominica, High Commission of Canada, Federal Airports Authority of Nigeria, Embassies and Commissions in the UK, Various Ministries of Foreign Affairs, African Development Bank, EU council of Europe, Cancer Research UK, UNESCO, Ghana Investment Promotion Council, Korea University.
